Our organization is run by volunteers, and we appreciate your help, suggestions and initiatives. We need your support and financial help to keep our foundation active and to organize interesting events in the future.

Donations:

The Bulgarian school needs your help! We would be grateful if you would be able to donate Bulgarian books, videos, music, school supplies, etc. Any donations will be greatly appreciated. If you wish to donate money, please contact us through our web site.

Volunteers:

We need volunteers to help us with the overall educational and organizational aspects of running the school. We also need volunteers during school hours to look after the younger children during the breaks, and to help with the school maintenance before and after school hours.

Spread the news:

We would also appreciate it if you could spread the news about the Bulgarian school among your friends in the San Diego area, who might be interested in participating in this educational opportunity. We would like to have more children join our school and thus learn about their Bulgarian heritage.
