Dear parents, friends, and supporters of the Bulgarian cultural and educational foundation "Vasil Levski",

Please join us again to our annual Christmas party on

December 15, 2018., Saturday, 5pm

Balboa park, Santa Fe Room

We will enjoy a short, yet thoughtfully crafted Christmas program presented by our students. Many of our friends are invited to make this evening a special treat of Bulgarian Christmas celebration. A traditional Bulgarian dinner is prepared and available for a nominal charge. All funds and donations are going in support of the Bulgarian school, as well as future cultural events of the Bulgarian community in San Diego. As per well-established tradition, Santa Claus is also expected to pay us a visit, so everyone is welcome to prepare a small present for his kids and deliver to Irina Tomova or at the door by 5:30pm. Please do not forget to write the child's name on the box. All Bulgarian businesses in San Diego are also invited to present their professional services with small booklets/cards in a dedicated space within the hall.

Let's join together to recreate Bulgarian Christmas spirit in San Diego! Wish you very happy holidays, lots of health and success in the new 2019!
