This is the original recipe of the all-natural, low calories, whole wheat bread we had on our April meeting. I love the American sweet breads you can buy at Starbucks because they resemble our Bulgarian cakes. Only they have too much sugar. This one uses honey and is much healthier. It is also very easy to make.

### Ingredients:

**4 ripe bananas**

**Honey** - 1/2 cup

**Canola oil** - 3 tbsp

**Vanilla essence** - 1 and 1/2 tsp

**Whole wheat flour** - 1 and 1/2 cups

**Baking soda** - 1 1/2 tsp

**Old fashioned oats** - 1/2 cup
