***Hello to all our friends,***

You are all welcome to attend the Christmas Workshop of the Bulgarian Language School in San Diego on

***December 18, Saturday, 10 am to 1 pm  
Tierrasanta Recreation Center  
11220 Clairemont Mesa Blvd, San Diego, CA 92124  
(the school's address)***

The children will have the opportunity to make traditional survachki and Christmas decoration. All parents are welcome to help them with the projects. After the workshop the children from the school will present a short recital of songs, poems and folk dances to celebrate the holiday season.

Like every year, we expect Santa to visit the school and give present to the children. **Parents, please bring a small gift for you child/children for Santa to present it to them.**

Weather permitting, we can continue celebrating in the park next to the school, so if you wish, you can bring an item for a potluck party.

We extend our heartfelt thanks to all of you for the your help and trust!

May the new 2011 bring a lot of health, smiles, energy and good luck!

***Happy holidays!***
