Dear friends,

Hal

loween – the time of costumes – is over. It is fun for everybody to dive into the world of fairy tales and indulge in dreams, amusement, and smiles for a while. But what happens to the used costumes, the ones that the kids no longer want or have outgrown?

Regarding this we turn to everybody who has stored away those costumes in their closets and doesn't know what to do with them. Please donate them to the educational and cultural foundation "Vasil Levski" in San Diego, which will then send them on your behalf to *Party Jack*, a company specializing in organizing parties and entertainment in the Bulgarian city of Varna and its surroundings.

The company will use the costumes to make its children's parties fuller, more fun and interesting for everybody's entertainment. The costumes will also be used during charitable events organized by *Party Jack* at orphanages in Varna and its county. More information about the company, to which the costumes will be donated, can be found at www.party-jack.com
